End of Year Letter 2025

Dear Parents and Carers,

Apologies for the relatively short letter, it's been a bit of a busy week!

On behalf of all the staff I would like to pass on our gratitude for the support all of you have given us over the last week. Many thanks for the hugely positive Ofsted questionnaire responses and messages of support many of us have had, we all really appreciate this, it has meant a lot.

For your information, because of the timing of the inspection we will not receive the draft report until late September, with the final report published in mid-October.

As you know we postponed the meet the next teacher meetings that were scheduled for the beginning of this week. We will be running these early in the Autumn term. In the meantime we are sending home the information leaflets that would have been distributed at these meetings.

And finally, I would like to wish you all a brilliant Summer holiday and our Y6 leavers all the best as they start their secondary schools in September.

Kind regards,

Huw Davies
