Dear Parent/Carer

6th November 2025

Y5 Bread Baking Project – beginning 18th November

In two weeks we will be learning how to make bread and designing our own bread recipes. If your child has kitchen weighing scales, a baking apron, measuring jug, wooden spoon and a large plastic mixing bowl that they could bring in to use, that would be really helpful. We will be baking on the following days:

- Tuesday 18th November 10:45 – 12:00 (basic bread recipe)
- Tuesday 25th November 10.45 – 12.00 (**child's own recipe)

***Please be aware that some additional ingredients may need to be bought after they design their own bread. Your child will arrive home with a plan for the bread they are going to make and the additional ingredients they intend to add.

We need parent help on both of the above dates so please get in touch if you can help.

We need to ask for a voluntary contribution of £2.00 to cover the cost of purchasing lots of different breads to taste and the basic ingredients for the two baking sessions (the children will bring these loaves home for the family to enjoy). Please send the money in with your child.

If your child has allergies please contact your child's class teacher, so we can discuss how we can adapt the sessions for your child.

Many thanks for your continued support,

The Year 5 Team
