Dear Parent/Carer,

We are running a series of “Booster” sessions for Year 6 children, beginning the week of Monday 23<sup>rd</sup> February for three weeks in the Spring Term (not during Parent’s Evening week nor the York trip week) and four weeks in the Summer term, depending upon which day your session is on. This will further ensure the success of your child in the upcoming SAT tests in May and consolidate work for Secondary School. The sessions will be held after school for a maximum of an extra twenty-five minutes. We strongly recommend your child attends if they are able.

The table below is highlighted to indicate which session your child has been selected for and also states the date the sessions will begin.
