

£20.26 Challenge

The Ghyllside Easter Holiday Fundraising Challenge is back for 2026!

Can you raise £20.26 for Ghyllside School?

We are looking to raise money to support our new school garden, buy school equipment and subsidise school trips.

Join in by fundraising over the Easter Holiday!

What is the challenge and how can I take part?

The aim of this challenge is for children to raise funds for the school - £20.26 as it is 2026 - but ANY amount raised is great!

We really want the children to feel part of the fundraising for their school. There are lots of fun activity ideas on the next page!

Track your sponsors and money raised on the forms included and use the QR code to the PTA 'Just Giving' page to collect donations. Cash can be handed in to the school office by 17th April. Don't forget to include your name!

Please can parents make sure all activities are done under supervision and that children only ask trusted people for sponsorship or money.

CERTIFICATE

Thank you for supporting your school and PTA. ALL children who take part will receive a certificate of achievement and thanks.

£20.26 Challenge
